Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Township of Saddle Brook Municipal Complex and Community Center project in fiscal year 2024. The entity to receive funding for this project is the Township of Saddle Brook, located at 93 Market Street, Saddle Brook, NJ 07663. The funding would be used to assist in the completion of the Township's ongoing efforts to establish a Municipal Complex and Community Center containing a courtroom, municipal chambers, township offices, emergency services, and a recreation and community center. The project is an appropriate use of taxpayer funds because it would provide residents with open access to an all-encompassing, community center and protect residents from increasingly occurring natural disasters through centrally located emergency-response facilities. The project has a Federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(1) and (a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bill Pascrell Jr." in a cursive script.
